(b) all of Seller’s equipment, transmitters, antennas, cables, towers, and other tangible personal property of every kind and description that are used or held for use in the transmission systems of the Station (the “Tangible Personal Property”), including, without limitation, those items listed on *Schedule 1.1(b)* for each of the purchased Stations;

(c) the agreements used in the operation of the Station that (i) are listed on *Schedule 1.1(c)* attached hereto and (ii) Buyer indicates on *Schedule 1.1(c)* it will assume (the “Station Contracts”);

(d) all of Seller’s rights in and to the Station’s call letters and Seller’s rights in and to the trademarks, trade names, service marks, copyrights, domain names, computer software, programs and programming material, jingles, slogans, logos, Facebook, Twitter and other social media accounts, and other intangible property that is used or held for use in the operation of the Station, including, without limitation, those listed on *Schedule 1.1(d)* for each of the purchased Stations (the “Intangible Property”);

1.5 Purchase Price. The purchase price to be paid for the Station Assets shall be the sum of Three Million Seven Hundred Fifty Thousand Dollars (\$3,750,000), which amount shall be increased or decreased by the proration amount referred to in Section 1.7 below (the “Purchase Price”). The Purchase Price shall be paid by Buyer to Seller at Closing in cash in immediately available funds pursuant to the written instructions of Seller to be delivered by Seller to Buyer at least three (3) business days prior to Closing.

1.6 Deposit.

(a) Buyer has deposited with Seller the sum of Three Hundred Thousand Dollars (\$300,000) (the “Deposit”). Seller shall hold the Deposit in escrow and, at Closing, the Deposit and any interest accrued thereon shall be credited toward the Purchase Price.

(b) If this Agreement is terminated by Seller pursuant to Section 10.1(c), then the Deposit shall be retained by Seller as liquidated damages and the sole and exclusive remedy of Seller. Seller hereby waives all other legal and equitable remedies it may otherwise have as a result of any breach or default by Buyer under this Agreement. If this Agreement is terminated for any other reason, the Deposit and any interest accrued thereon shall be promptly disbursed to Buyer, within three (3) business days of Buyer’s notice to Seller of Buyer’s termination of this Agreement. Seller shall not, by any act or omission, delay or prevent any such disbursement.

1.7 Prorations and Adjustments.

(a) All prepaid and deferred income and expenses relating to the Station Assets and arising from the operation of the Station shall be prorated between Buyer and Seller in accordance with generally accepted accounting principles as of 11:59 p.m. on the day immediately preceding the Closing Date (the “Effective Time”).

1.9 Closing. The consummation of the sale and purchase of the Station Assets pursuant to this Agreement (the “Closing”) shall take place within ten (10) days after the date the FCC Consent (defined below) is Final (defined below). Buyer may, in its sole discretion, elect to proceed to Closing prior to the FCC Consent becoming Final, but in any case Closing is subject to the satisfaction or waiver of the last of the conditions required to be satisfied or waived pursuant to Articles 6 or 7 below (other than those requiring a delivery of a certificate or other document, or the taking of other action, at the Closing). The date on which the Closing is to occur is referred to herein as the “Closing Date.”

1.10 FCC Consent.

(a) Within five (5) business days after the date the Sale Order becomes a Final Order, Buyer and Seller shall file an application (the “FCC Application”) requesting FCC consent to the assignment of the FCC Licenses from Seller to Buyer (the “FCC Consent”). Seller and Buyer shall diligently prosecute the FCC Application. Each party shall promptly provide the other with a copy of any pleading, order or other document served on it relating to the FCC Application, and shall furnish all information required by the FCC. Buyer and Seller shall notify each other of all documents filed with or received from any governmental agency with respect to this Agreement or the transactions contemplated hereby. Buyer and Seller shall furnish each other with such information and assistance as the other may reasonably request in connection with their preparation of any governmental filing hereunder.

(b) Seller shall, at its expense, timely take any action reasonably requested by the FCC with respect to any pending FCC enforcement or other matters related to the Station, including, without limitation, entering into a tolling agreement, establishing an escrow or making other arrangements satisfactory to the FCC.

(c) Concurrently with the filing of the FCC Application, Seller may, in its sole and absolute discretion, file an application with the FCC requesting a modification of the Station’s FCC License status from commercial to non-commercial, contingent on consummation of the transactions contemplated by the FCC Application, subject to Bankruptcy Court authorization.

ARTICLE 2: SELLER REPRESENTATIONS AND WARRANTIES

Seller represents and warrants to Buyer as follows:

2.1 Authorization. The Trustee Order is a valid order from the Bankruptcy Court appointing the Trustee to serve as trustee and take possession of the assets of the Debtors, and Trustee has taken possession of such assets. Subject to entry of the Sale Order (defined below), Seller has the power and authority to execute, deliver and perform this Agreement, and to deliver the documents to be made pursuant hereto (the “Seller Authorization”) and such actions do not require any further authorization or consent of Seller. This Agreement and the documents to be made pursuant hereto are legal, valid and binding agreements of Seller enforceable in accordance with their respective terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors’ rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

2.2 No Conflicts. The execution, delivery and performance by Seller of this Agreement and the documents to be made pursuant hereto does not conflict with the Trustee Order, or any other contract or agreement to which Seller is a party or by which it is bound, or any law, judgment, order, or decree to which Seller is subject, and does not require the consent, approval or authorization, or filing with, any third party or any court or governmental authority, except the FCC Consent and entry of the Sale Order (defined below).

2.3 FCC Licenses. Seller is the holder of the FCC Licenses required under the Communications Act of 1934, as amended (the “Communications Act”), including those listed and described on *Schedule 1.1(a)*. Except as disclosed on *Schedule 2.3*, Seller has not been served with any pending action nor, to Seller’s actual knowledge, has any action been threatened by or before the FCC to revoke, suspend, cancel, rescind or modify any of the FCC Licenses (other than proceedings relating to FCC rules of general applicability), and Seller has not been served with any order to show cause, notice of violation, notice of apparent liability, or notice of forfeiture or complaint pending nor, to Seller’s actual knowledge, has any such action been threatened against Seller or the Station by or before the FCC.

2.4 Personal Property. While *Schedule 1.1(b)* contains a list of Tangible Personal Property included in the Station Assets based on the best information provided to Seller to date, Seller makes no representations or warranties regarding the accuracy of this list.

2.5 Real Property. Seller owns no real property in connection with the operation of the Station. To the best of Seller’s knowledge, *Schedule 1.1(c)* includes a description of any lease or similar agreement under which Seller is lessee or licensee of, or holds, uses or operates, any real property in the business or operation of the Station (the “Real Property Leases”). To the best of Seller’s knowledge, there is no pending suit for

condemnation or other taking by any public authority regarding the property leased under the Real Property Leases. Seller will deliver to Buyer copies of all title insurance policies, title insurance commitments and surveys in its possession (if any) that are applicable to the Real Property Leases. *Schedule 1.1(c)* includes the amount that is required to be paid to cure any defaults pursuant to Section 365(b)(1)(A) of the Bankruptcy Code with respect to any such Real Property Leases.

2.6 Contracts. To the best of Seller's knowledge, *Schedule 1.1(c)* contains a list of all contracts used in the operation of the Station, which schedule identifies any and all contracts used in the operation of the Station. Seller will deliver to Buyer copies of each Station Contract (including each Real Property Lease), together with all amendments thereto, that Seller has in its possession. *Schedule 1.1(c)* includes the amount that is required to be paid to cure any defaults pursuant to Section 365(b)(1)(A) of the Bankruptcy Code with respect to any such unexpired contracts.

2.7 Environmental. Seller has not received in respect of the Station or Station Assets any written notice or claim to the effect that it is or may be liable under any environmental, health or safety law. Seller will deliver to Buyer copies of all environmental reports and assessments in his possession (if any) that are applicable to the Station.

2.8 Intangible Property. To the best of Seller's knowledge, *Schedule 1.1(d)* contains a description of all Intangible Property being transferred to Buyer hereunder. Trustee has received no written notice of any claim that any Intangible Property or the use thereof conflicts with, or infringes upon, any rights of any third party. Seller has not been served with any pending legal proceedings claiming infringement or unauthorized use regarding the Intangible Property.

2.9 Station Assets. At Closing, Seller will transfer to Buyer good and marketable title to the Station Assets, free and clear of Liens, except for Permitted Encumbrances.

2.10 Compliance with Law. No action, suit or proceeding against Seller has been served upon Seller or, to Seller's actual knowledge, threatened against Seller in respect of the Station or the Station Assets.

2.11 No Finder. Payment of any brokerage fees authorized by the Bankruptcy Court shall be Seller's sole cost and expense.

2.12 Disclosure. This Agreement and the documents made pursuant hereto do not and will not contain any intentionally untrue statement of material fact by Seller or intentionally omit a material fact required to be made by Seller in order to make the statements herein and therein not misleading in light of the circumstances in which they are made.

2.13 As-Is, Where-Is. Except as otherwise expressly set forth herein, Trustee and Seller make no representations or warranties with respect to the condition or completeness of the Station Assets and Buyer understands, acknowledges, and agrees that it is acquiring

the Station Assets on an “as is,” “where is” and “with all faults” basis without representation or warranty of any kind, either express or implied, including, but not limited to, any warranties as to merchantability, fitness, or usability. Trustee and Seller make no representations whatsoever with respect to the accuracy or completeness of any books, records, or other information provided by Trustee or Seller in connection with the Station Assets other than the express representations and warranties made herein. Except for the express representations and warranties contained herein (as modified by the Schedules hereto), Seller makes no other express or implied representation or warranty with respect to the Station Assets, the Assumed Obligations or the transactions contemplated by this Agreement, and Seller disclaims any other representations or warranties, whether made by Seller, any affiliate of Seller or any of their respective officers, directors, employees, agents or representatives.

2.14 Buyer’s Investigation. Buyer’s right to indemnification or other post-Closing remedy based on the representations, warranties, covenants and agreements of Seller contained herein shall be limited by any investigation conducted by Buyer, or any knowledge acquired by Buyer at any time, with respect to the inaccuracy of, or non-compliance with, any such representation, warranty, covenant or agreement, and shall operate as an amendment, supplementation and modification of any representation, warranty or agreement given or made by Seller in this Agreement and shall be deemed to amend or supplement the Schedules. The prior sentence shall not release Seller from the obligations to transfer the Station Assets to Buyer lien free, nor shall it limit Buyer’s remedies pre-Closing on the discovery of any such inaccuracy or non-compliance.

ARTICLE 3: BUYER REPRESENTATIONS AND WARRANTIES

Buyer represents and warrants to Seller as follows:

3.1 Organization. Buyer is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, and if such qualification is necessary, is (or will be at Closing) qualified to do business in each jurisdiction in which the Station Assets are located. Buyer has the requisite power and authority to execute, deliver and perform this Agreement and the documents to be made pursuant hereto.

3.2 Authority. The execution, delivery and performance of this Agreement and the documents to be made pursuant hereto have been duly authorized and approved by all necessary action of Buyer (the “Buyer Authorization”) and do not require any further authorization or consent of Buyer. This Agreement and the documents to be made pursuant hereto are legal, valid and binding agreements of Buyer enforceable in accordance with their respective terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors’ rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3.3 No Conflicts. The execution, delivery and performance by Buyer of this Agreement and the documents to be made pursuant hereto does not conflict with any

organizational documents of Buyer or any law, judgment, order, or decree to which Buyer is subject, and does not require the consent, approval or authorization, or filing with, any third party or any court or governmental authority, except the FCC Consent.

3.4 Qualification. Buyer is legally, financially and otherwise qualified to hold the FCC Licenses under the Communications Act and the rules, regulations and policies of the FCC, including with respect to multiple ownership, as they exist on the date of this Agreement.

3.5 No Finder. No broker, finder or other person is entitled to a commission, brokerage fee or other similar payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement or action of Buyer or any party acting on Buyer's behalf. Payment of any broker engaged by Buyer shall be Buyer's sole cost and expense.

3.6 Disclosure. This Agreement and the documents made pursuant hereto do not and will not contain any untrue statement of material fact by Buyer or omit to state a material fact required to be made by Buyer in order to make the statements herein and therein not misleading in light of the circumstances in which they are made.

ARTICLE 4: SELLER COVENANTS

4.1 Covenants. From the date hereof until Closing, Seller shall, subject to the Trustee Order and the obligations and restrictions imposed by Title 11 of the United States Code (the "Bankruptcy Code"):

(a) operate the Station in the ordinary course of business consistent with past practice and keep its books and accounts, records and files in the ordinary course, and preserve the business and goodwill of the Station and the Station Assets;

(b) use commercially reasonable efforts to bring the Station into compliance in all material respects with the Communications Act, FCC rules, regulations and policies, and all other applicable laws, rules and regulations, and maintain the FCC Licenses in full force and effect, and diligently prosecute any applications for renewal of the FCC Licenses pending as of the date of this Agreement;

(c) keep all Tangible Personal Property in its current (or better) operating condition (ordinary wear and tear excepted) and repair and maintain adequate and usual supplies, spare parts and other materials as have been customarily maintained in the past, and otherwise preserve intact the Station Assets and maintain in effect its current insurance policies with respect to the Station and the Station Assets;

(d) at the request of Buyer, from time to time give Buyer access during normal business hours to all of the Station's employees, facilities, properties, accounts, books, deeds, title papers, insurance policies, licenses, agreements, contracts, commitments, records and files, equipment, machinery, fixtures, furniture, vehicles and all other Station Assets, and provide Buyer all other information in Trustee's possession concerning the Station as Buyer may reasonably request;

(e) pay accounts payable in the ordinary course of business consistent with past practice;

4.2 Post-Final Order Covenants. From the date of the Final Order until Closing, Seller shall not, without the prior written consent of Buyer:

(a) sell, lease, or otherwise dispose of any Station Assets except for non-material dispositions in the ordinary course of business or items which are replaced by assets of comparable or superior kind, condition and value;

(b) create, assume or permit to exist any Liens on the Station Assets, and not dissolve, liquidate, merge or consolidate with any other entity, except for Permitted Encumbrances;

(c) modify any of the FCC Licenses; or

(d) amend or terminate any of the Station Contracts, or enter into any contract, lease or agreement with respect to the Station except for ordinary course cash time sales agreements and any other agreements entered into in the ordinary course of business that will be paid and performed in full before Closing.

For the avoidance of doubt, nothing in this Section 4.2 prohibits the Trustee from taking all actions: (i) authorized by the *Order Approving Motion for Order Pursuant to 11 U.S.C. §§ 363 and 105 and Bankruptcy Rules 6004 and 2002 Authorizing Chapter 11 Trustee to Enter Into Programming Agreements and Use Revenue Generated to Recoup Operational Costs of the Respective Stations* pending the Closing; or (ii) necessary to preserve and maintain the FCC Licenses pending the Closing.

ARTICLE 5: JOINT COVENANTS

Buyer and Seller hereby covenant and agree as follows, subject to the Trustee Order:

5.1 Confidentiality. Subject to the requirements of applicable law, all non-public information regarding the parties and their business and properties that is disclosed in connection with the negotiation, preparation or performance of this Agreement shall be confidential and shall not be disclosed to any other person or entity, except on a confidential basis to the parties' attorneys, accountants, investment bankers, investors and lenders, and their respective attorneys for the purpose of consummating the transaction contemplated by this Agreement.

5.2 Announcements. Prior to Closing, no party shall, without the prior written consent of the other, issue any press release or make any other public announcement concerning the transactions contemplated by this Agreement, except to the extent that such party is so obligated by law, including any requirements under the Bankruptcy Code or as requested by the Bankruptcy Court, and except as necessary to enforce rights under or in connection with this Agreement. Notwithstanding the foregoing, the parties acknowledge

that this Agreement and the terms hereof will be filed with the Bankruptcy Court and the FCC Application and thereby become public.

5.3 Control. Consistent with FCC rules, control, supervision and direction of the operation of the Station prior to Closing shall remain the responsibility of Seller as the holder of the FCC Licenses.

5.4 Risk of Loss. The risk of loss of or damage to the Station Assets shall remain with Seller at all times until 12:01 a.m. local time on the day of Closing. Prior to Closing, Seller shall repair and replace any lost or damaged Station Asset where the loss or damage occurred after execution of this Agreement and prior to Closing ("Damaged Asset"); provided, however, that in the event the cost to repair a Damaged Assets exceeds the amount recoverable under the insurance policy covering the same, Seller may elect not to repair the Damaged Asset. If Seller elects not to repair the Damaged Asset, Seller must notify Buyer of such election within ten (10) days after the date either party becomes aware of the damage to the Station Asset. Buyer may, in its sole discretion, either (a) proceed to Closing and deduct the cost of the repair of the Damaged Asset from the Purchase Price not to exceed \$100,000, or (b) terminate this Agreement by written notice to Seller. Buyer shall inform Seller of its election with respect to (a) or (b) above within ten (10) days after the date Seller notifies Buyer that Seller will not repair the Damaged Asset.

5.5 Broadcast Interruption. If prior to Closing the Station is off the air or operating at a power level that results in a material reduction in coverage (a "Broadcast Interruption"), then Seller shall seek to return the Station to the air and restore prior coverage as promptly as possible. Notwithstanding anything to the contrary in this Section 5.5 or any other provision of this Agreement, as set forth on the record of the Auction, Buyer has assumed any and all risks associated with the Station being silent or otherwise off the air while working with the FCC to transfer the licenses to Buyer or at the time of Closing.

5.6 Employees. Buyer will not hire any employees of the Station at Closing.

5.7 Final. For purposes of this Agreement, the term "Final" shall mean that action shall have been taken by the FCC (including action duly taken by the FCC's staff, pursuant to delegated authority) which shall not have been reversed, stayed, enjoined, set aside, annulled or suspended; with respect to which no timely request for stay, petition for rehearing, appeal or certiorari or sua sponte action of the FCC with comparable effect shall be pending; and as to which the time for filing any such request, petition, appeal, certiorari or for the taking of any such sua sponte action by the FCC shall have expired or otherwise terminated.

5.8 Bankruptcy Court Requirements.

(a) Buyer and Seller acknowledge that, under the Bankruptcy Code, the sale of the Station Assets was subject to the court-supervised auction, and is subject to approval of the Bankruptcy Court. Buyer and Seller acknowledge that to obtain such approval, Seller must demonstrate that it has taken reasonable steps to obtain the highest or best value

possible for the Station Assets, including giving notice of the transactions contemplated by this Agreement to creditors and other interested parties as ordered by the Bankruptcy Court, providing information about the Station Assets to prospective bidders, entertaining higher or better offers from qualified bidders, conducting an auction and, if appropriate, selling the Station Assets to another qualified bidder.

(b) Seller shall file with the Bankruptcy Court, and prosecute the same to completion, such pleadings and motions that shall be necessary and appropriate to receive any and all orders and rulings from the Bankruptcy Court, and to provide such notifications to the Bankruptcy Court or interested parties, that are necessary or appropriate, in writing, to fully authorize and allow Buyer the benefit of the transactions set forth in this Agreement, including without limitation bid procedures and Buyer's acquisition of the Station Assets as contemplated by this Agreement, and Seller's subsequent sale, assignment and transfer of the Station Assets as contemplated under this Agreement, and shall further take any and all commercially reasonable and customary actions and make and submit such appropriate notices, filings and submissions, and make all appropriate court appearances in support thereof. Such motion or motions shall be brought inter alia under Section 363 of the Bankruptcy Code, specifically including Sections (b), (f), (k) and (m) of the Bankruptcy Code, free and clear of any interest in such property, except the Permitted Encumbrances. Seller shall file a Motion for Order Pursuant to Sections 105(A), 363, 365, 503 and 507 of the Bankruptcy Code and Rules 2002, 6004, 6006 9007, 9008 and 9014 of the Federal Rules of Bankruptcy Procedure to approve and authorize the sale of the Station Assets to Buyer free and clear of liens, claims, encumbrances and other interests, except the Permitted Encumbrances, and a request for a waiver of the stay imposed by Federal Rule of Bankruptcy Procedure 6004(h), in the Bankruptcy Case (the "363 Motion"), by June 23, 2023, which 363 Motion shall include inter alia a request for a waiver of the stay imposed by Federal Rule of Bankruptcy Procedure 6004(h). The order being sought by the 363 Motion shall be referred to herein as the "Sale Order", the form of which shall be subject to reasonable approval by Buyer.

(c) The Sale Order, once entered by the Bankruptcy Court, shall be a "Final Order" provided: (i) no appeal, notice of appeal, motion to amend or make additional findings of fact, motion to alter or amend judgment, motion for rehearing or motion for new trial has been timely filed or, if any of the foregoing has been timely filed, it has been disposed of in a manner that upholds and affirms the subject order in all respects without the possibility for further appeal or rehearing thereon; (ii) the time for instituting or filing an appeal, motion for rehearing or motion for new trial shall have expired; and (iii) no court or other governmental entity having jurisdiction over Seller or Buyer shall have issued or entered any order, decree, or injunction (whether temporary, preliminary or permanent) then in effect to stay or otherwise enjoin the sale transaction contemplated by this Agreement; and (iv) no stay is in effect. As a condition to Closing the sale and of all of Buyer's obligations hereunder, a Final Order shall have been entered by the Bankruptcy Court in form and substance reasonably acceptable to Buyer and Seller.

5.9 Modification of the Station. Buyer acknowledges that the right to use the Station's current tower site terminates on December 31, 2023. Seller and Buyer covenant and agree, subject to Seller's ultimate supervision and control as the FCC licensee but at Buyer's expense, and notwithstanding any other provision of this Agreement, to cooperate in the relocation of the Station to a new tower and site as promptly as possible, including by:

(a) Seller cooperating and assisting in the filing with the FCC of a request for a technical special temporary authority ("STA") for the Station to operate at the new tower and site identified and secured by Buyer, with the technical parameters specified by and an engineering exhibit provided by Buyer, using such Tangible Personal Property or other equipment provided by Buyer for construction of the STA facilities, and with the tower and site, engineering, FCC filing fees, and cost of construction of the STA facilities at the expense of Buyer;

(b) Seller cooperating and assisting in the filing with the FCC of an application for a construction permit for a minor change in the Station's licensed facilities for the Station to operate at the new tower and site identified and secured by Buyer, with the technical parameters specified by and any engineering exhibit provided by Buyer, using such Tangible Personal Property or other equipment provided by Buyer for construction of the minor change permit facilities, and with the tower and site, engineering, FCC filing fees, and cost of construction of the minor change permit facilities at the expense of Buyer;

(c) Seller shall have a right to use the STA and/or minor change permit facilities to operate the Station at no cost to Seller prior to Closing, and for up to twelve (12) months after any termination of this Agreement (other than due to a breach or default by Seller);

(d) Buyer shall endeavour, with the cooperation of Seller, to: (i) be able to provide the technical parameters and any engineering exhibits necessary to file for both the STA and the minor change permit application as soon as possible, and (ii) be able to commence at least the STA operations by on or before December 31, 2023, if possible, or as soon thereafter as possible (with Buyer and Seller acknowledging that in that event, the Station would have to go silent temporarily after December 31, 2023); and

(e) Seller and Buyer anticipate entering into a time brokerage or similar agreement ("TBA") under which Buyer would provide programming for the Station (among other mutually agreeable terms), to commence upon the date when operation of the Station from the new tower and site begins under the granted technical STA (or the granted minor change permit, as the case may be).

ARTICLE 9: SURVIVAL AND INDEMNIFICATION

9.1 Survival. The representations and warranties in this Agreement shall survive Closing for a period of six (6) months from the Closing Date at which time they shall expire and be of no further force or effect, except that, if within such applicable period the indemnified party gives the indemnifying party written notice of a claim for breach thereof describing in reasonable detail the nature and basis of such claim, then such claim shall survive until the resolution of such claim. The covenants and agreements in this Agreement shall survive Closing until performed.

9.2 Indemnification.

(a) From and after Closing, Seller shall defend, indemnify and hold harmless Buyer from and against any and all losses, costs, damages, liabilities and expenses, including reasonable attorneys' fees and expenses ("Damages") incurred by Buyer arising out of or resulting from:

(i) any breach by Seller of its representations and warranties under this Agreement;

(ii) the Retained Liabilities; or

(iii) without limiting the foregoing, the business or operation of the Station prior to Closing (including any third party claim arising from such operations).

Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (1) Seller shall have no liability to Buyer under Section 9.2(a)(i) until Buyer's aggregate Damages exceed Twenty-Five Thousand Dollars (\$25,000), after which such threshold amount shall be included in, not excluded from, any calculation of Damages, and (2) the maximum aggregate liability of Seller under Section 9.2(a)(i) shall be an amount equal to the Purchase Price.

(b) From and after Closing, Buyer shall defend, indemnify and hold harmless Seller from and against any and all Damages incurred by Seller arising out of or resulting from:

(i) any breach by Buyer of its representations and warranties under this Agreement;

(ii) the Assumed Obligations; or

(iii) without limiting the foregoing, the business or operation of the Station after Closing (including any third party claim arising from such operations).

9.3 Procedures.

(a) The indemnified party shall give prompt written notice to the indemnifying party of any demand, suit, claim or assertion of liability by a third party that is subject to indemnification hereunder (a “Claim”), but a failure to give such notice or delaying such notice shall not affect the indemnified party’s rights or the indemnifying party’s obligations, except to the extent the indemnifying party’s ability to remedy, contest, defend or settle with respect to such Claim is thereby prejudiced.

(b) The indemnifying party shall have the right to undertake the defense or opposition to such Claim with counsel reasonably satisfactory to the parties. In the event that the indemnifying party does not undertake such defense or opposition in a timely manner, the indemnified party may undertake the defense, opposition, compromise or settlement of such Claim with counsel selected by it at the indemnifying party’s cost.

(c) Notwithstanding anything herein to the contrary:

(i) the indemnified party shall have the right, at its own cost and expense, to participate in the defense, opposition, compromise or settlement of any Claim, and shall have the right to consult with the indemnifying party and its counsel concerning any Claim, and the indemnifying party and the indemnified party shall cooperate in good faith with respect to any Claim; and

(ii) the indemnifying party shall not, without the indemnified party’s written consent, settle or compromise any Claim or consent to entry of any judgment which does not include a release of the indemnified party from all liability in respect of such Claim.

ARTICLE 10: TERMINATION AND REMEDIES

10.1 Termination. This Agreement may be terminated prior to Closing as follows:

(a) by mutual written consent of Buyer and Seller;

(b) by written notice of Buyer to Seller if Seller:

(i) does not perform the obligations required to be performed by it under this Agreement on the Closing Date; or

(ii) otherwise breaches in any material respect any of its representations or warranties or defaults in any material respect in the performance of any of its covenants or agreements contained in this Agreement and such breach or default is not cured within the Cure Period (defined below);

(c) by written notice of Seller to Buyer if Buyer:

(i) does not perform the obligations required to be performed by it under this Agreement on the Closing Date, all conditions to its obligation to do so having been satisfied or waived; or

(ii) otherwise breaches in any material respect any of its representations or warranties or defaults in any material respect in the performance of any of its covenants or agreements contained in this Agreement and such breach or default is not cured within the Cure Period;

(d) by written notice of Buyer to Seller, or of Seller to Buyer, if the FCC denies the FCC Application or upon order of the Bankruptcy Court;

(e) by written notice of Buyer to Seller, or of Seller to Buyer, if the Closing does not occur by the date one (1) year after the date of this Agreement (the “Outside Date”); or

(f) by written notice of Buyer to Seller, or of Seller to Buyer, if the Sale Order is not issued by the Bankruptcy Court by the date one hundred twenty (120) days after entry of the order approving the bid procedures motion.

The term “Cure Period” as used herein means a period commencing the date Buyer or Seller receives from the other written notice of breach or default hereunder and continuing until the earlier of (1) thirty (30) days thereafter or (2) the Closing Date. Termination of this Agreement shall not relieve any party of any liability for breach or default under this Agreement prior to the date of termination. Notwithstanding anything contained herein to the contrary, Sections 1.6 (Deposit), 5.1 (Confidentiality), 5.2 (Announcements) and 11.1 (Expenses) shall survive any termination of this Agreement.

10.2 Specific Performance. In the event of a breach or threatened breach by Seller of any representation, warranty, covenant, obligation or agreement under this Agreement, at Buyer’s election, in addition to any other remedy available to it, Buyer shall be entitled to an injunction restraining any such breach or threatened breach and to enforcement of this Agreement by a decree of specific performance requiring Seller to fulfill its obligations under this Agreement, in each case without the necessity of showing economic loss or other actual damage and without any bond or other security being required.

ARTICLE 11: MISCELLANEOUS.

11.1 Expenses. Each party shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement, except that Seller shall be solely responsible for all governmental taxes, fees, and charges applicable to the request for FCC Consent and all governmental taxes, fees, and charges applicable to the transfer of the Station Assets under this Agreement.

11.2 Further Assurances. After Closing, each party hereto shall execute all such instruments and take all such actions as any other party may reasonably request, without

payment of further consideration, to effectuate the transactions contemplated by this Agreement, including, without limitation, the execution and delivery of confirmatory and other transfer documents in addition to those to be delivered at Closing.

11.3 Assignment. This Agreement shall be binding upon and inure to the benefit of the parties hereto, and their respective successors and permitted assigns. Neither Seller nor Buyer may assign any of its rights or delegate any of its obligations hereunder without the written consent of the other party, in its sole discretion, and any such attempted assignment or delegation without such consent shall be void.
